

***CHC is the equestrian advocate in the state of Connecticut.***

## **CHC provides:**

- Lobbying representation events liability insurance
- Representation of the horse community to protect rights and access to state trail systems
- Education to the general public on horse safety and awareness
- The knowledge and resources of the state agricultural (UCONN) system

*Additional benefits from National Thoroughbred Racing Association*

## **Why become a CHC Business member? Business Members receive:**

- Advertisement in our quarterly newsletter
- Promotion on our web page with links available to your site
- Advertisement space for your business at the CHC Equine Affair table

## **"Vision For Our Future"**

- Establish 501(c)(3) status to secure educational grants to further promote continuing education for the equestrian community and general public on environmental friendly stable management, quality horse care, safety awareness and maintenance of our trail systems.
- Increase public awareness of the existence of the equestrian community in the state.
- Assist and encourage members of the state's horse community in becoming a collective voice on issues that pertain to and affect all horse owners, equestrian businesses and others with ties to the equestrian industry.
